Dear House Judiciary Committee Member:

Enclosed is a copy of my 2-2-2007 letter, that was sent to the Senate Judiciary Committee Members regarding the complaint of judicial misconduct by Federal Circuit judges. As you will gather from my letter, I've written a book entitled "America's Judicial Meltdown: Judges Obstruction of Justice", in order to present my story regarding the obstruction of justice by certain identified Federal Circuit judges. In order for the Committee to ascertain the injustice rendered by cited judges, I'm enclosing complimentary copies of my book to both Rep. John Conyers and Rep. Lamar Smith. I hope all Committee Members will get to read the book, and consider means for rectifying the injustices disclosed.

Congressional approval; to appear as a witness during Congressional hearings on "judicial reform", would be appreciated.

Looking forward to a Judiciary Committee response.

Respectfully submitted,

Joseph A. Gentiluomo
