RE: Complaint No. 74

Dear Judge Haldane R Mayer:

I would like to draw your attention to the book entitled "The Corrupt Judge: An Inquiry Into Bribery and Other High Crimes and Misdemeanors in Federal Courts", by Joseph Borkin. In the book, the author points out how an underdog patent owner suing a corporation for patent infringement, gets nowhere accusing a judge of crooked rulings.

It appears that I'm confronted with the same situation.

Your adversary,
