Honorable Chief Justice John Roberts
Supreme Court of the United States
1 First Street, NE
Washington, D.C. 20543

Dear Chief Justice Roberts:

Enclosed is a copy of my letter, that was sent to the Senate and House Judiciary Committees regarding the unethical United States judicial system.

As you well know from my June 19, 2006 letter to you, that included a copy of my book entitled "America's Judicial Meltdown: Judges Obstruction of Justice", I presented my case regarding the obstruction of justice by certain identified federal circuit judges. I hope you read the book to note how cited identified judges violated Federal Circuit and U.S. Supreme Court precedential laws, in order to favor the party of their choosing. Therefore, due to the injustice being inflicted by judges, which I believe is very pervasive; your utmost consideration to such judicial misconduct by judges should be seriously addressed.

Regarding my complaint, a just resolution would be to **reinstate** my case, so that it could be **properly adjudicated** in district court.

Your response to this letter would be very much appreciated.

Respectfully submitted,

Joseph A. Gentiluomo
